Price: \$0.00

Short Description

How-To manual for organizing a Clean Water Celebration for your community!

Description

[The Sun Foundation](#), with funding from the Illinois American Water Company, has commissioned me to help write and edit a How-To manual for organizing a Clean Water Celebration for your community!

There are great lesson plans for introducing students to river history, geography, and water quality testing, but the focus is on helping teachers and community organizers plan and implement an event that guarantees a long range impact on the quality of your local watershed! If you would like one of our committee members to help, please [Contact Fox](#).

This is a very large pdf file that might take some time to download.
