## Description

**Prairie Folklore Theatre Presents**

**Prairie Fire!**

A celebration of bison and covered wagons, wolves and wigwams, this tapestry of American Indian and pioneer stories and songs will bring to life the struggle to survive in this fiery ocean of waving grasses. Barry Cloyd contributes three original songs to this epic march through time, from the geological formation of prairie, through the American Indian and Pioneer history, this CD explores our relationship to the American savannah and the role of fire in its preservation.

Listen to Fox's poem Meadowlark from Prairie Fire!
